

2012 Honda Crosstour Personalized Settings

The Honda Crosstour is equipped with a number of convenience features that can be customized to your customer's preferences (applicable features depend on the vehicle's trim level). Personalize the settings for your customer as listed below. Additional details are contained in the Technology Reference Guide, Owner's Manual, and Navigation System Manual.

Note: The default factory settings appear in **bold**.

Customer's
Name

VIN
